RE: West Milford MUA Landscaping Quotation 2014

Please be advised that the West Milford MUA is currently seeking quotations for services regarding landscaping maintenance on several owned properties. We have compiled a list of facilities and address for your review. Should you need further information on expectations after reviewing please do not hesitate to contact us.

The quotation should be for services provided between May 15, 2015 and November 1, 2015 for grass cutting, hedge trimming, light brush cutting as well as general landscaping maintenance. Large tree cuttings should not be included in your quotation as this is taken care of separately.

We are also asking for two other separate quotations along with general landscaping. We ask that you submit a separate quotation for fall cleanup of leaves and debris of the specific facilities listed. We also ask for a quotation for tree and brush removal at the two tanks listed. This will include any removal of small trees and shrubs as well as any brush. The area should be free of vines as well.

Should you wish to schedule a walk through appointment please let us know. Quotations need to be received in a timely fashion with a deadline of May 15th, 2015 as spring is quickly approaching.

Thank you for your time and cooperation in this matter. We look forward to working with you.

Sincerely,

A handwritten signature in cursive script that reads "Kelly L. Love".

Kelly L Love

Administrator

Cc; MUA Board of Commissioners

Lisa Thompson, Nuzzi & Mason
